

Ilya Gussak

Back-end / Software Engineer

 Astana, Kazakhstan

 [+7 771 173 3079](tel:+77711733079)

ABOUT ME

I am a Bachelor's student in Computer Science from Pavlodar, Kazakhstan, with 6 years of experience in programming and technology, where I am solid with Golang, Node.js, Python, JavaScript, Java, HTML5, CSS3. Have understanding in hardware and network structure, network protocols, REST API, Unix Systems, SDP, OOP, Git collaborations, ssh, DBMS (SQL and noSQL), BigO Notation and a little bit of optimization.

I am currently studying, but available for internship or partial-time working in your company, and always open for knowledge.
